Michael Jordan has been one of the most famous players from USA. One day as child he went home in tears and told his mother that he had not been selected in team because he was too small. Mother said, "Son, it is not size of person in game that matters".

Michael looked puzzled, for he had not understood what mother meant. "Your small size has nothing to do with your rejection." Coach must have been that as player you needed to mature for before you could make it to team", mother explained.

Next morning Michael woke up early and started practicing. When next season came, he tried again and made it to team.
